Dovetail Drawer Box

Solid Wood

White Melamine Finish

Frameless cabinet carcasses, often used in European-style cabinetry, maximize storage space by eliminating the face frame, providing a sleek, modern look with clean lines and wider openings.

They offer greater accessibility, ease of installation, and design versatility, while also being cost-effective due to material efficiency and simpler construction. These features make them a popular choice for contemporary kitchens.

Cabinet Boxes:	3/4" Plywood
Cabinet Shelf:	3/4" Plywood
Tandem Drawer:	5/8" Plywood Panels
Drawer/Slide Tracks:	Metal Soft Close
Interior Lining:	Natural Color Laminate (UP)
	White Color Laminate (UF)

SEQUENTIAL PATTERNS

22

OPTIONS & LIMITATIONS

LIOPAC panels can do sequential patterns, ensuring a continuous and seamless design. We offer [horizontal](#) and [vertical](#) patterns for each of our LIOPAC panels.

These patterns bring a dynamic, interactive element to your kitchen decor, enhancing both its functionality and modern appeal. They're designed to offer versatility, allowing you to customize colors or patterns to suit your mood or occasion.

With easy installation and low maintenance, they are an ideal choice for a contemporary kitchen that prioritizes both style and convenience.

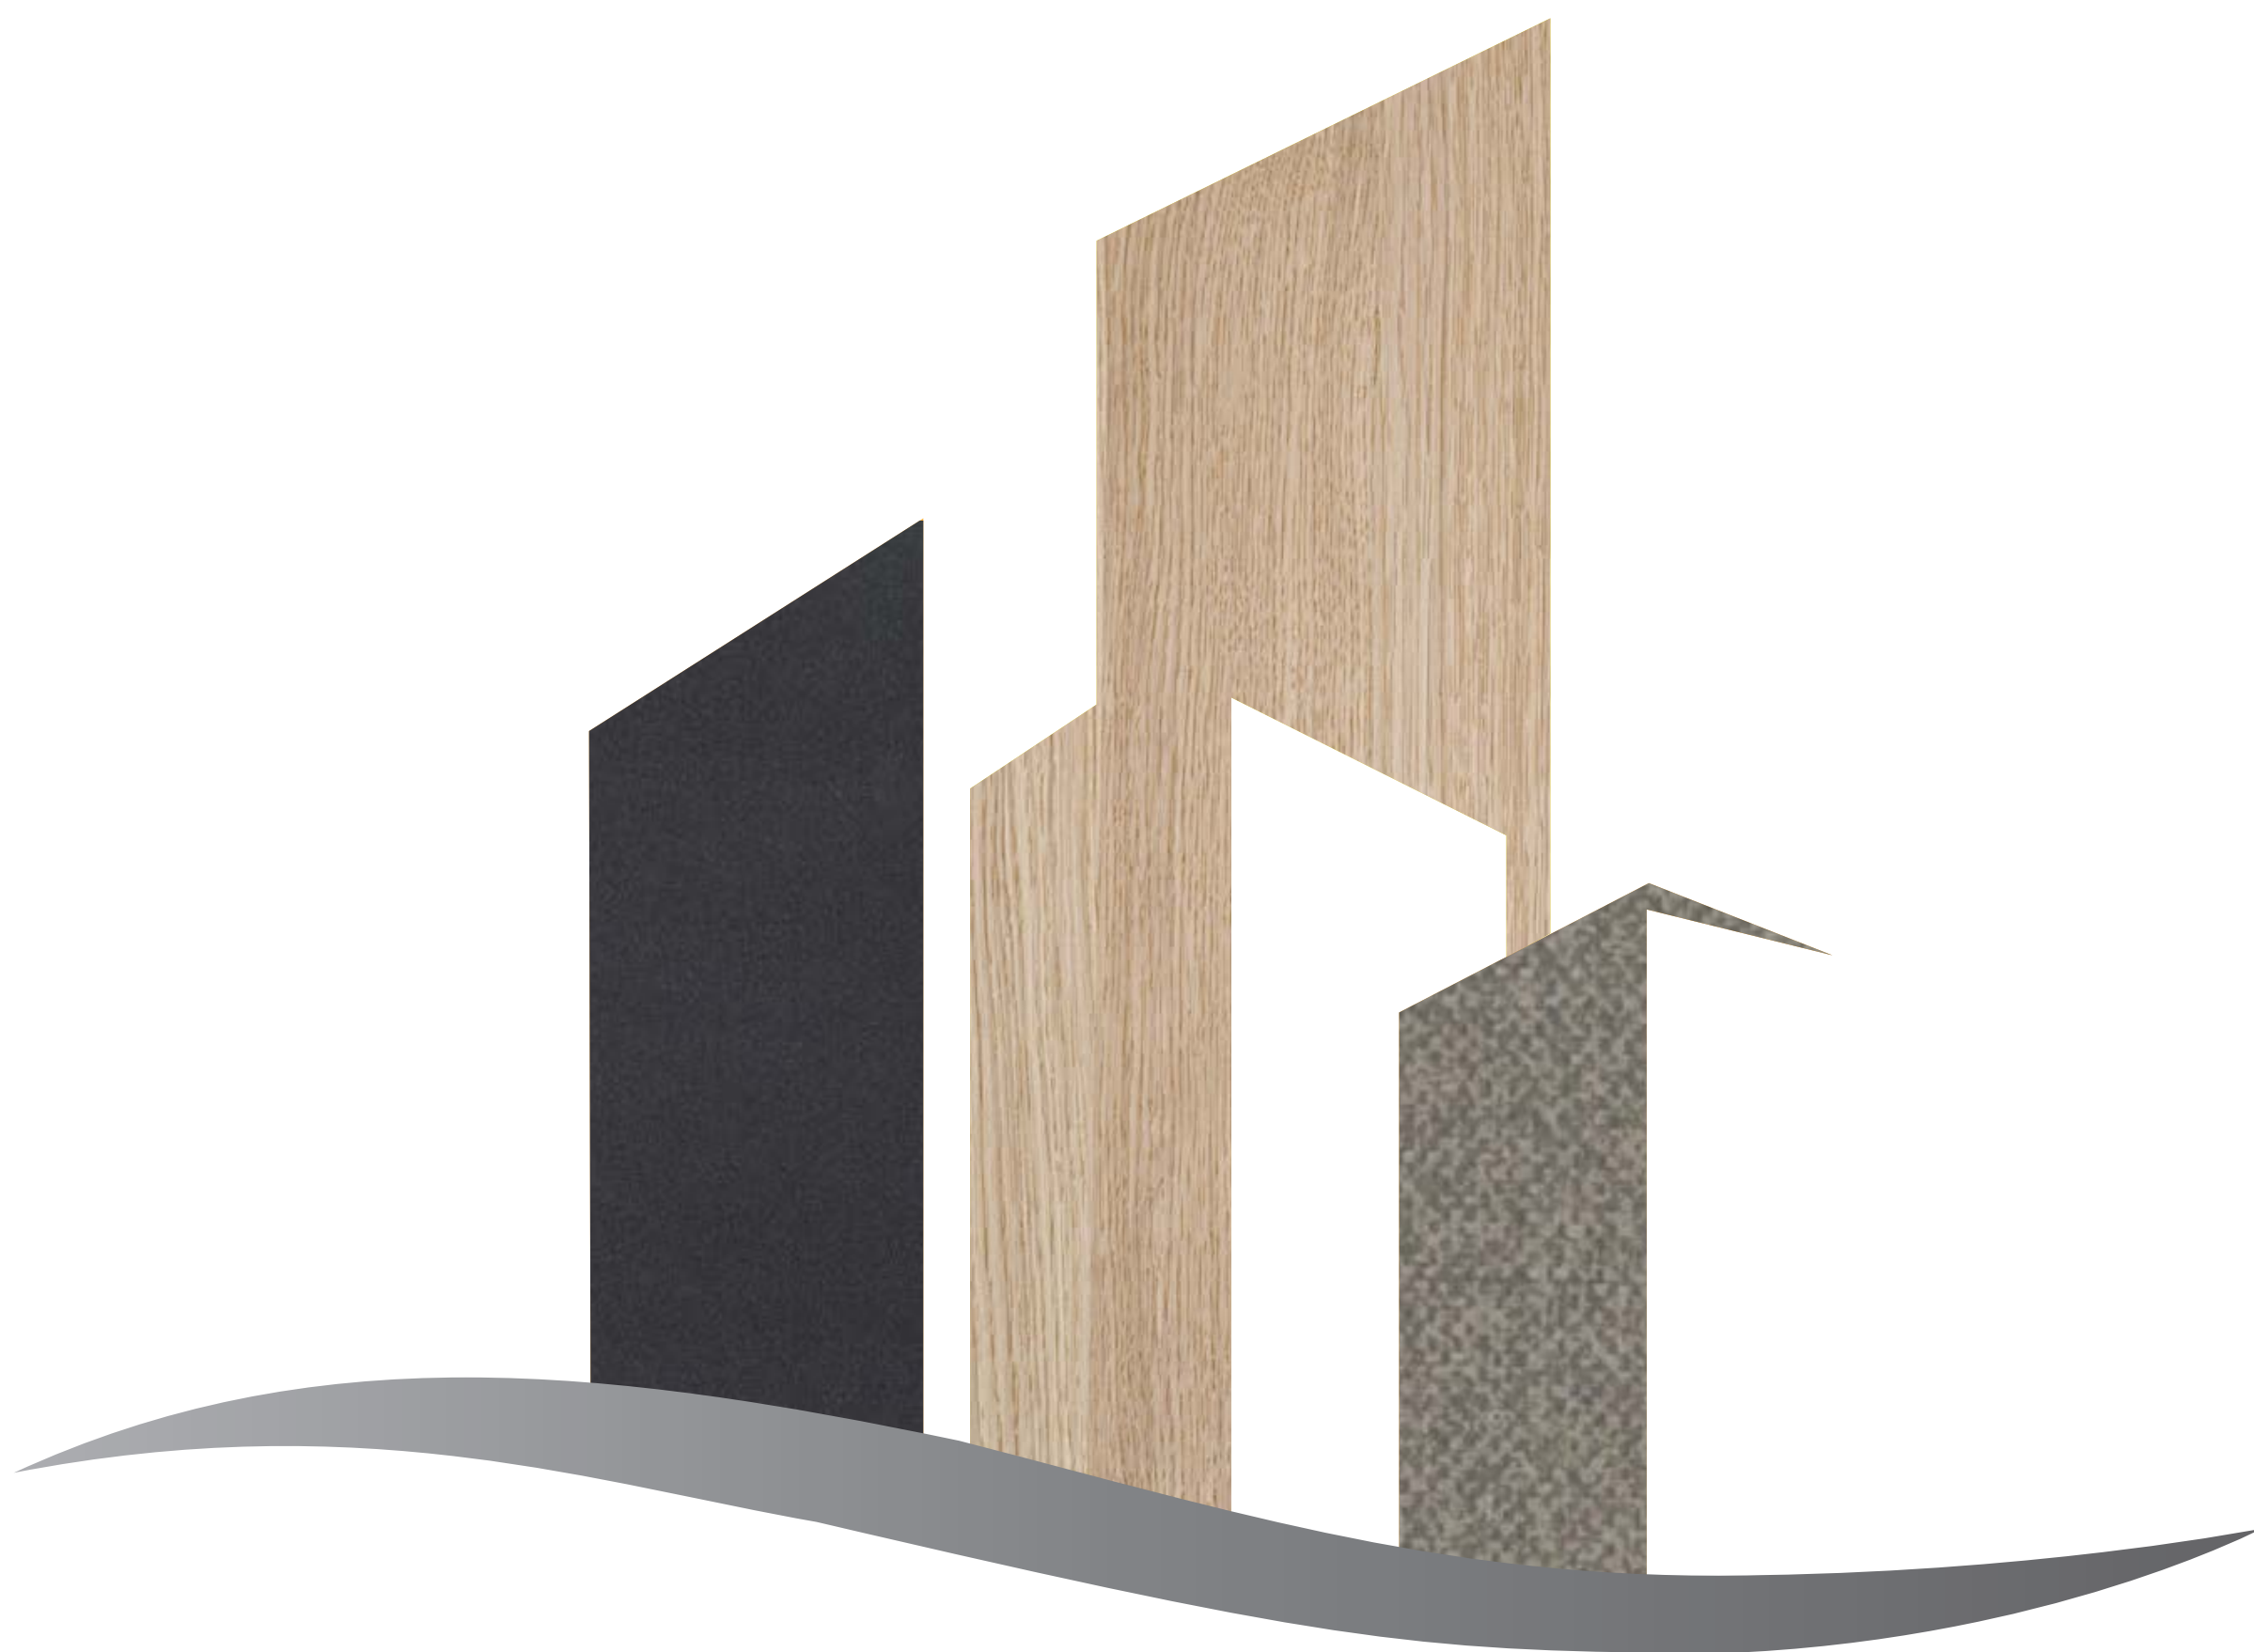

This is perfect for an unique interactive appearance that will last for a lifetime.

There is a [MAJOR](#) limitation that has to be address

Panels have a maximum width of [46"](#) and maximum length of [94"](#)

If you have any futher questions, please direct them to sales representatives.
