CABINETRY

ABOUT US

WHO WE ARE

Innocraft ushers in a new era of cabinet manufacturing and distribution, where modern design meets lasting quality and sustainability. Our solutions are crafted to elevate everyday living with functionality and timeless appeal.

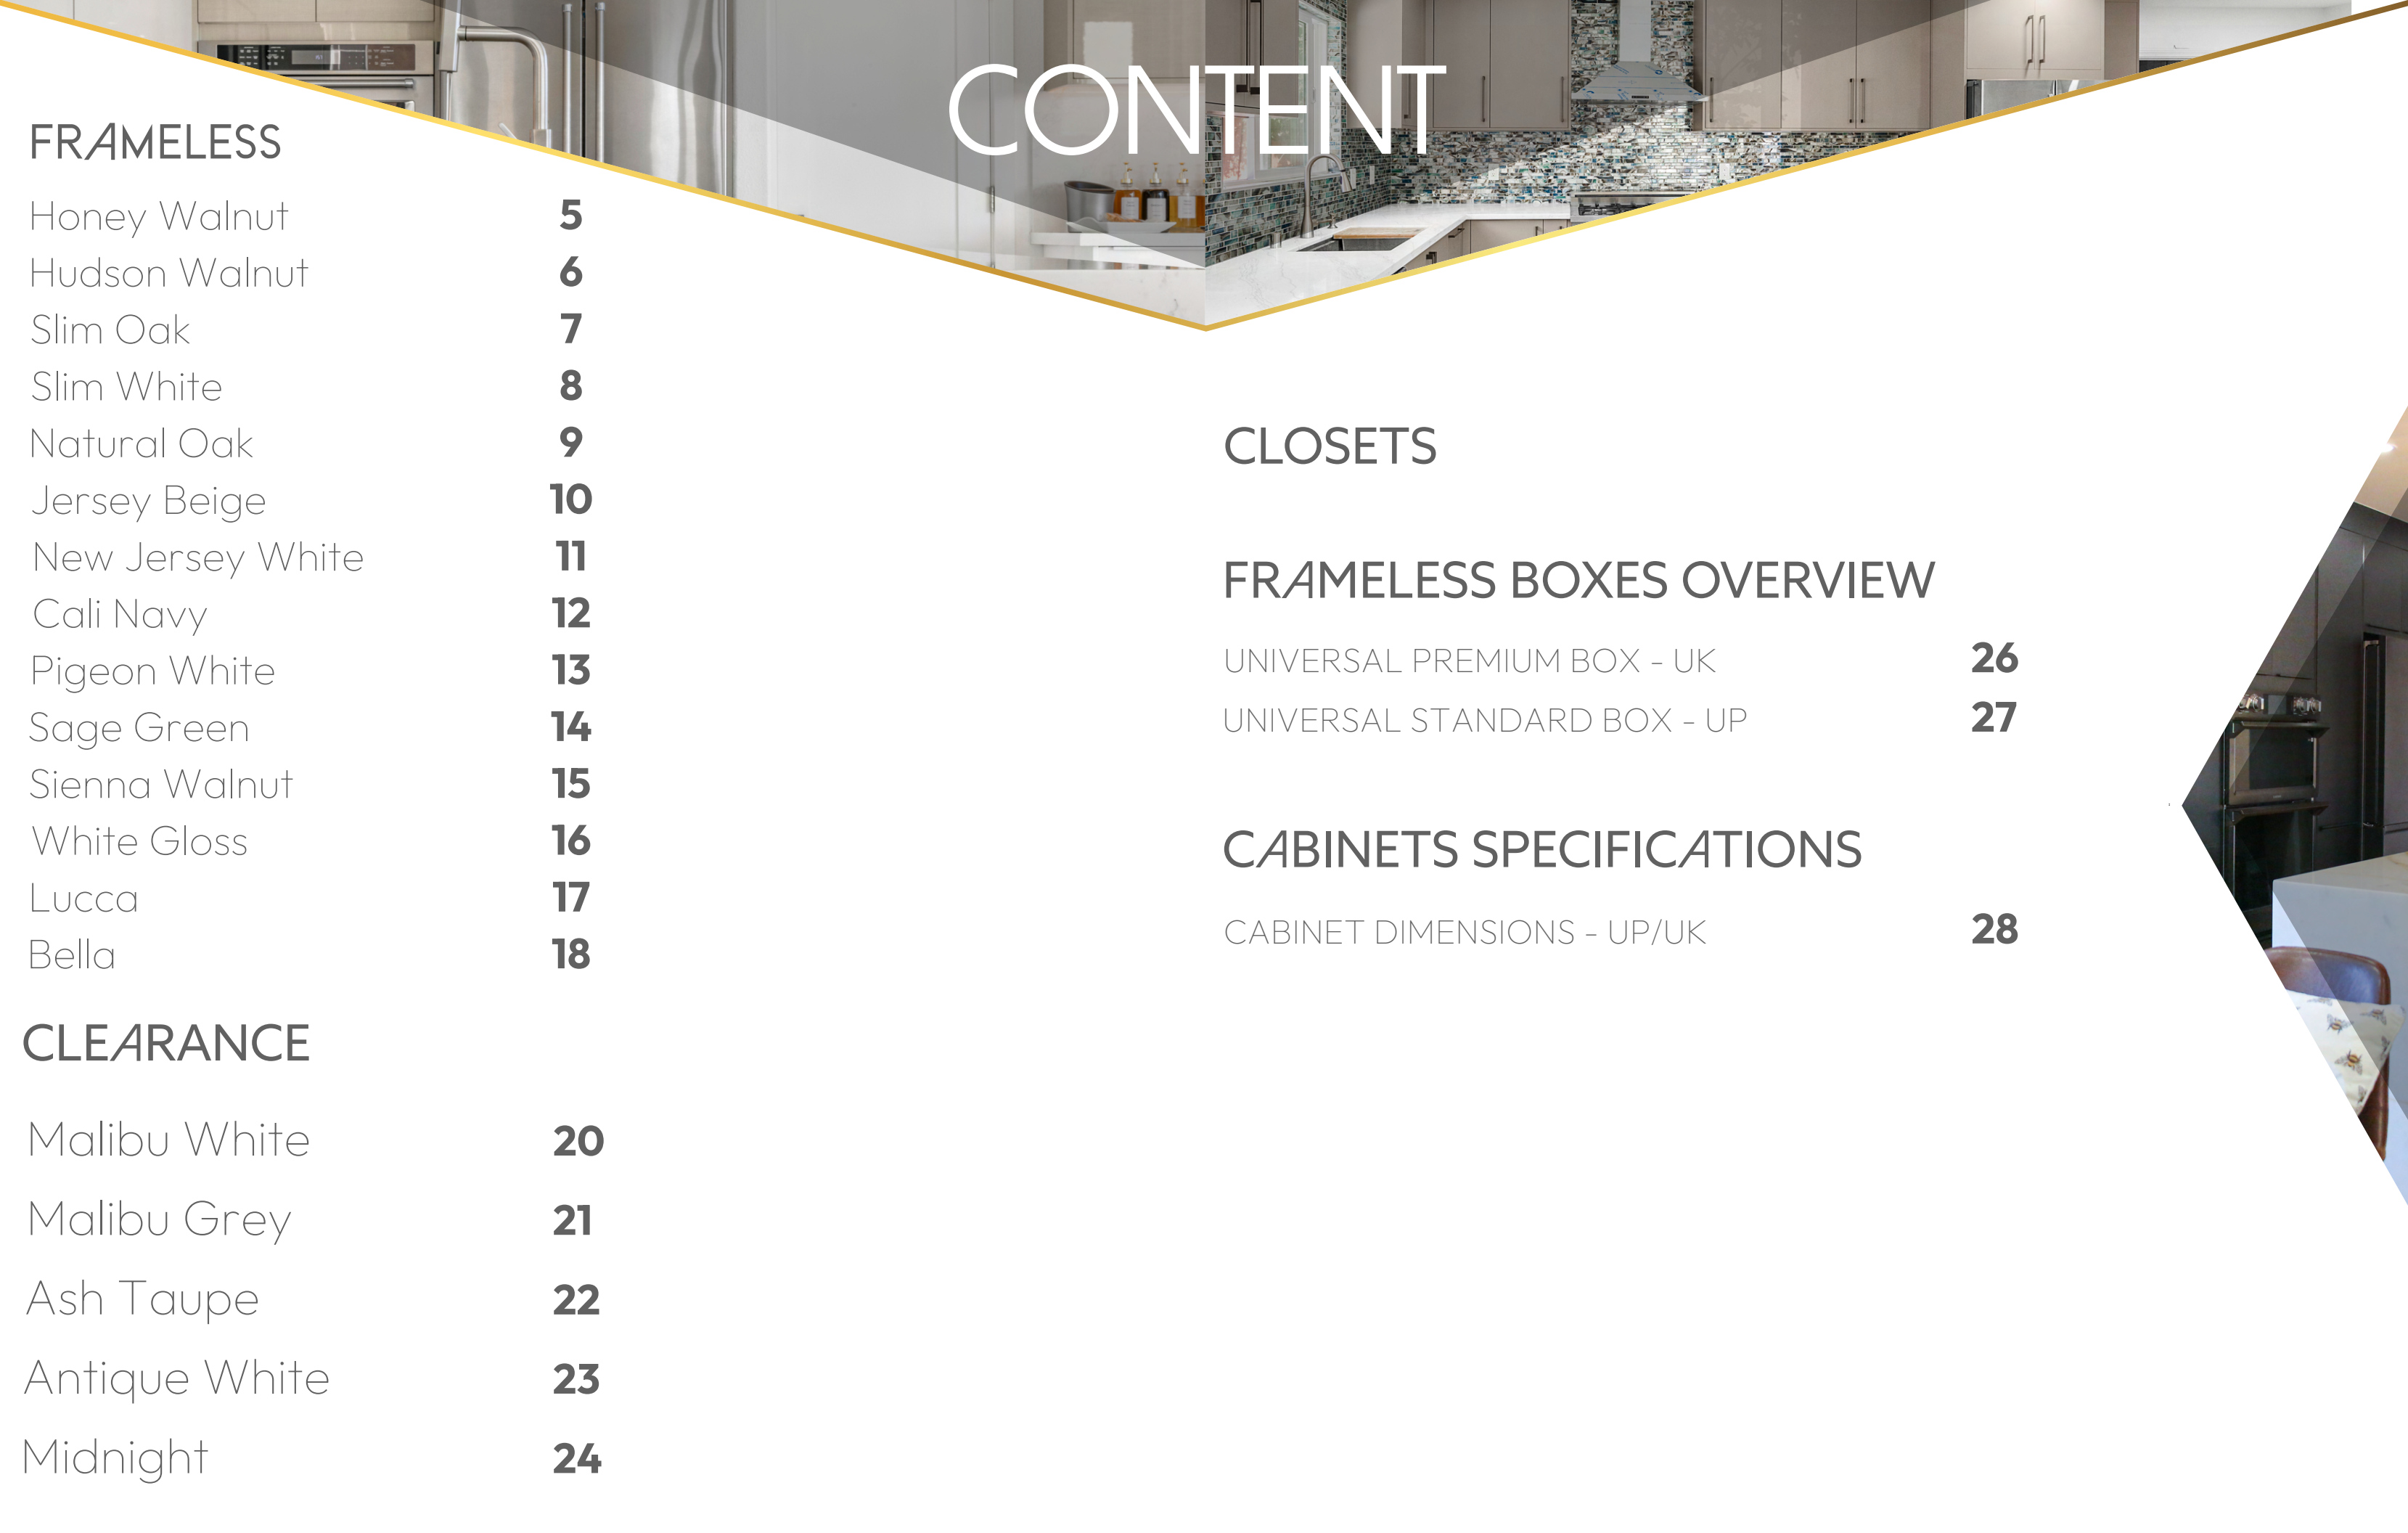

OUR VISION

Cabinets are a long-term investment—and so is our planet. Through the use of eco-friendly finishes, renewable wood, and engineered composite materials, we ensure resources are used responsibly throughout every stage of production.

OUR COMMITMENT

We are committed to creating cabinets that support the diverse needs of modern households. Designed for durability and everyday use, our cabinetry helps you enjoy more meaningful moments in the kitchen.

FRAMELESS

5

HONEY OAK SHAKER

HK

Premium HDF

Honey Oak features a warm, natural golden-brown finish with subtle wood grain for a timeless, inviting look. The clean Shaker-style profile adds a simple, versatile character that works well in both traditional and modern spaces.

COMING 2027

FRAMELESS

6

HUDSON WALNUT SHAKER

HW

Premium HDF

Hudson Walnut features a rich, deep brown finish with natural wood grain variations that add warmth and depth. Its raised-panel profile brings a classic, refined character to the space.

COMING 2027

SLIM OAK SHAKER

SK

Premium HDF

Slim oak features a sleek, slim shaker profile and a striking, prominent vertical wood grain. Its natural, warm finish perfectly emphasizes the authentic texture of the oak, making it ideal for clean, contemporary, or transitional kitchen designs.

CABINET DESCRIPTIONS

FINISH: Wood Veneer + Solid Oak

CLEARANCE COLLECTION

As the trend has changed towards frameless cabinets, we are saying farewell to our framed collection.

They have joined with our clearance doors selection, featuring discounted styles available in limited quantities. This section highlights cost-effective options ideal for quick projects, replacements or potential upgrade, all while maintaining the quality and craftsmanship you expect.

*All wood materials, composite and hardwood materials, hardwares, finish applications are subject to change due to availability or planned changes and updates to products.

MALIBU WHITE SHAKER

A

Solid Wood

A classic White Shaker cabinet door, built from durable solid wood. Its design features a flat center area that sinks slightly inward, cleanly framed by unadorned rails and stiles. The pure white finish provides a bright, versatile aesthetic popular in virtually all interior styles.

CABINET DESCRIPTIONS

- WOOD:** Hardwood (**Rubberwood**)
- FRAME:** Flush face frame, full overlay
- FACES:** Seamless door design
- SHELVES:** 3/4" Premium plywood
- TRACKS:** Undermount softclose
- HINGES:** DTC Adjustable softclose
- INTERIOR:** 5/8" Dovetail drawers
- PANELS:** 5/8" Premium plywood

Solid Wood

MALIBU GREY SHAKER

C

Made of solid wood, this cabinet door showcases the popular Shaker style in a contemporary grey finish. The versatile grey finish offers a contemporary yet warm aesthetic that works well in both transitional and modern kitchen designs.

CABINET DESCRIPTIONS

- WOOD:** Hardwood (**Rubberwood**)
- FRAME:** Flush face frame, full overlay

FRAMELESS UNIVERSAL PREMIUM BOX

Our upgraded frameless cabinets feature 18mm panels and shelves, birch drawers with 12mm bottoms, and a durable melamine interior for improved strength, stability, and everyday performance.

UK

Our Premium Frameless Cabinet Box features upgraded construction for greater durability, stability, and everyday performance. It uses 18mm panels and shelves with a Maple Wood Natural Texture melamine interior and durable screw construction.

The upgraded drawer system features 12mm-thick birch drawers with non-finger-jointed construction. Kitchen drawers are 22" long, while bathroom drawers are 18", with 5" and 8" side options. Upper cabinet shelves are 10.5" deep with precisely positioned shelf pins for added support.

Built with stronger materials and refined construction, this premium frameless box delivers enhanced functionality while maintaining a clean, modern design.

Key Upgraded Features

- 5" Drawer Height Compared to 4"
- Drawer length 22", Compared to 20"
- Drawer bottom panel 1/2" compared to 5/16"
- **Solid Birchwood** compared fingerjointed eucalyptus
- 10.5" wall cabinet shelves compared to 9.5"
- Full 3/4" back panel

FRAMELESS UNIVERSAL STANDARD BOX

UP

Our UP Frameless Cabinet Box is designed as a more affordable alternative to our UK box, providing dependable construction and essential features for everyday use. The cabinet box features a crisp white finish on both the interior and exterior, creating a clean, consistent appearance that is easy to maintain.

The drawer system features durable dovetail construction, providing strength and stability for frequent use. Designed for practical storage and reliable performance, the UP box offers the essential functionality needed for a well-built kitchen while maintaining a more budget-friendly price point.

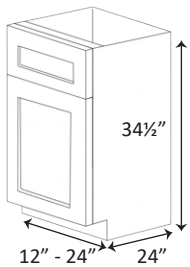

While it does not include all the premium enhancements of the UK line, the UP box delivers a thoughtful balance of affordability, durability, and style. It provides a practical cabinet solution for homeowners looking for dependable construction and a clean, modern appearance without the added cost of premium materials.

Our cabinets combine soft-close tracks and hinges, interlocking dovetail drawers, and a flush frame full overlay design for durable, precise, and seamless operation.
